APPLICATION FOR RIGHT OF WAY PERMIT

Contractor: _____

Bus Phone: _____ Emer Phone: _____ Mobile Phone: _____

Job Site Address: _____

Property Owner: _____

1. The Right of Way Permit is issued by the City of Shoreline, The City of Lake Forest Park, or King County to Ronald Wastewater District (the District), not the Contractor.
2. The Contractor must adhere to applicable rules and regulations as noted on the Right of Way Permit and the District Rules and Regulations, Res 83-24 as amended.
3. Additional Right of Way inspection charges not covered by this permit application fee will be billed to and are payable by the Contractor within 15 days of billing.
4. The Contractor shall respond to a road failure or complaint within twenty-four (24) hours of notification. Notification will be by phone and followed by written notice.
5. Failure to respond to said notification with twenty-four (24) hours shall result in notification of the Contractor's bonding company.
6. If the District finds it necessary to make any repairs the Contractor and/or the bonding company will be billed for all costs incurred plus any attorney's fees.
7. The Contractor is responsible to notify the District a minimum of forty-eight (48) hours prior to construction. **(Phone 206-546-2494)**
8. A permanent road patch conforming to the City of Shoreline, The City of Lake Forest Park, or King County road standards must be installed within thirty (30) days of sewer line acceptance.
9. **Coring of mainlines must be performed by a District approved coring device. Check with the District prior to coring the mainline.**
